CONDITIONS OF SALE

1 Definitions/Interpretation

In these Conditions, Silverwoods act as auctioneers and agents for the vendor and the representative of Silverwoods conducting the auction is called "The Auctioneer". Any reference to Silverwoods shall include a reference to its employees and agents from time to time. Words importing one gender include all other genders and words importing the singular include the plural and vice versa. Reference to a person includes an individual, firm, corporation (limited or unlimited) or any other body. The clause headings are not to be taken into account in the construction and interpretation of these Conditions.

2 General

Whilst Silverwoods make every effort to ensure the accuracy of their catalogue and the description of any lot:

(a) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of descriptions.

(b) Silverwoods do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition or quality of any lot, unless they have been instructed in writing by the vendor so to certify and in such cases Silverwoods do so as agents of the vendor and are not themselves responsible for such claims.

(c) All statements, whether printed in the catalogue or made orally, as to any of the matters set out in (b) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Silverwoods, unless they have been instructed in writing by the vendor so to certify and in such cases Silverwoods do so as agents of the vendor and are not themselves responsible for such claims.

(d) Any claim under any Statute must be received in writing by Silverwoods within ten days of the day of the sale.

3 The Auction

The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lot or lots from the sale, to refuse bids, regulate bidding or cancel the sale without in any case giving any reason or without previous notice. He may bid on behalf of the vendor for all goods which are being offered subject to reserve or at the Auctioneer's discretion.

The highest bidder shall be the buyer except in the case of a dispute. If during the auction the Auctioneer considers that a dispute has arisen, he has absolute discretion to settle it or to re-offer the lot. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid.

(c) Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the seller has the right to bid either personally or by any one person (who may be the Auctioneer).

(d) All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the Auctioneer from the rostrum prior to any bid being accepted for the lot.

4 Rescission

Notwithstanding any other terms of these Conditions, if within three years after the sale Silverwoods have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within one month after such notification the buyer returns the same to Silverwoods in the same condition as at the time of sale and by producing evidence, the burden of proof to be upon the buyer, satisfies Silverwoods that considered in the light of the entry in the catalogue the lot is a delib-

erate forgery; then the sale of the lot will be rescinded and Silverwoods will reimburse the buyer for the amount paid for the relevant lot within seven days of the vendor refunding to Silverwoods the amount paid to the vendor in respect of the lot. In the event of a dispute then the matter shall be settled by arbitration, the arbitrator to be nominated by the President of the Royal Institution of Chartered Surveyors. Both the buyer and the vendor agree to be bound by the decision. Payment of costs of arbitration shall be determined by the arbitrator.

5 Default

Silverwoods disclaim responsibility for default by either the buyer or the vendor because they act as agents for the vendor only and therefore do not pay out to the vendor until payment is received from the buyer. Instructions given by telephone are accepted at the sender's risk and must be confirmed in writing forthwith.

6 Private Treaty

In the event of a sale by private treaty the buyer agrees to be bound by these Conditions and any Special Conditions advised to the buyer before the sale.

7 Instructions

As Silverwoods are auctioneers, all goods delivered to Silverwood's premises will be deemed to be delivered for sale by auction unless otherwise stated in writing and will be catalogued and sold at Silverwood's discretion and accepted by Silverwoods subject to all the Sale Conditions. By delivering the goods to Silverwoods for inclusion in their auction sales each vendor acknowledges that he has accepted and agreed to be bound by all these Conditions.

9 Reserves

This information must be supplied to Silverwoods on, or prior to, the items being consigned to Silverwoods.

11 Vendor Authorisation

The vendor authorises Silverwoods to deduct commission and expenses at the stated rates from the hammer price.

12 Rights to Photographs And Illustrations

The vendor gives Silverwoods full and absolute right to photograph and illustrate any lot placed in its hands for sale and to use such photographs and illustrations and any photographs provided by the vendor at any time at its absolute discretion (whether or not in connection with the auction).
