ANTIQUe VALUERS COME TO BARRROWFORD

A team of expert valuers from leading regional auction house, Silverwoods of Lancashire, will be coming to the Pendle Heritage Centre in Barrowford on Monday 25th January from 4.30 – 6.30 p.m to offer a free antique valuation service for local residents. They can bring along quality ceramics, pictures, silver, jewellery, furniture, collectables and antiques for no-obligation identification and valuation and, if they would like to sell them, the service also includes booking in and receipt of items for future auctions.

Commented Silverwoods auctioneer, Wilf Mould: “Good quality antiques are holding their value well at the moment and a number of vendors have recently had items sold for far in excess of their valuations, with our recent monthly sales featuring a record number of lots. We have held very popular valuation evenings in other locations around the North of England, but this is the first time we’ve come to Barrowford and are very much looking forward to meeting everyone on the 25th.”

Highlights of the December sale at Clitheroe-based Silverwoods included the exceptionally high prices achieved for more than 100 lots of fine jewellery, and a 19th Century concertina which fetched £2,700 in the saleroom.
