HERITAGE OPPORTUNITY FOR SHAROE GREEN RESIDENTS

When three beautiful art-deco reading desks and six chairs go under the hammer at Silverwoods of Lancashire's Antiques Auction next Thursday (5th June), there will be some keen interest from residents of Sharoe Green in Preston. They are being sold by Sharoe Green library which is currently being extensively modernised.

The auction price for the attractive oak desks, which are about 4ft long x 2 ½ ft high, and red upholstered chairs is estimated at between £50 and £100. Commented Silverwoods' auctioneer, Wilf Mould: "I'm sure that there will be some local people who will have some happy memories of quiet times reading at these desks and may well want to bid for them. We believe that they were made to go into the library when it was originally built in about 1935."

The auction starts at 10.00 a.m at Silverwoods of Lancashire, Ribblesdale Centre, Lincoln Way, Clitheroe, Lancashire, BB7 1QD. www.silverwoods.co.uk.
